ELENCO DOMANDE GRUPPO B
(TESTI IN LINGUA INGLESE)

TESTO N. 1

Sport is part of daily life for millions of Europeans. It helps people stay healthy, learn, connect with others, and even boosts innovation and the economy.

TESTO N. 2

Sport is today seen as a public good and a valuable European asset – socially, economically, politically, and culturally.

TESTO N. 3 NON ESTRATTO

The European Commission promotes sport in the EU by developing a European sport model that integrates the economic, social, and educational value of sport

TESTO N. 4

The European Commission promotes sport in the EU by providing funding opportunities for sport projects and initiatives through programmes such as Erasmus+

TESTO N. 5

The European Commission promotes sport in the EU by promoting benefits of sport and physical activity through EU-wide campaigns such as the European Week of Sport or the #BeActive EU Sport Awards
